EXPERIENCE

EXECUTIVE ASSISTANT, APRIO

JANUARY 2023 – PRESENT

- Provide direct support to two senior partners overseeing a combined client portfolio of 400+ clients, managing daily operations, communication, and shifting priorities
- Handle complex calendar management and travel coordination across domestic and international engagements, including client meetings, mergers, and firm initiatives
- Support onboarding of new clients by coordinating setup across multiple internal systems, including HubSpot, Intapp, and CCH Workflow, ensuring accurate tracking and seamless integration into firm processes
- Maintain organization of sensitive financial documents, including tax returns and supporting records, ensuring accuracy and accessibility for internal teams
- Independently plan and execute all office events for the New York team (100+ staff), including monthly programming such as happy hours, team lunches, and internal engagement initiatives
- Lead planning of annual holiday parties across five Northeast offices, managing budgets ranging from \$25K–\$35K per event
 - Handle all vendor sourcing, contract negotiation, logistics, and coordination from start to finish
 - Balance multiple locations and timelines while maintaining consistency in quality and execution
 - Partner with leadership to ensure events align with team growth and culture
- Serve as the primary point of contact for new hires in the New York office, supporting onboarding logistics including building access, workstation setup via Maptician, and team introductions

EXECUTIVE ASSISTANT, TCC GROUP

AUGUST 2018 – JANUARY 2023

- Supported the Director of Philanthropy, who led strategy consulting engagements for foundations operating at local, national, and global levels
- Played a key role in supporting leadership operations across multiple client engagements, including foundations focused on institutional change, equity initiatives, and community impact
- Led internal coordination during COVID to support the firm's transition to a fully remote environment for 60+ staff
 - Trained employees on Zoom and virtual collaboration tools
 - Set up and managed virtual conference rooms for internal and client facing meetings
- Supported the Grants Management team by assisting with the processing and tracking of foundation grants

EXECUTIVE ASSISTANT, EVENSONBEST

OCTOBER 2014 – APRIL 2017

- Provided a full range of supportive services with leadership and the Human Resources Department
- Maximized productivity rates by proactively training floaters on operational systems, reading floor plans, counting inventory, and assisting senior staff

EXECUTIVE ASSISTANT / RECRUITER, YEAR UP

FEBRUARY 2012 – MARCH 2013

- Verified program eligibility of enrollment for 135 students entering the program twice a year, ages 18-24 years old
- Built and maintained relationships with over 600 partners which include local foster care agencies, high schools, community based organizations and other groups to strengthen pipelines that work with urban young adults from a full range of communities and measured community outreach progress using Salesforce database
